Mauck Boer Goats started in 2002 as an FFA project and has grown into a registered (ABGA) Boer goat flock that produces and sells over 70 show wethers annually as well as replacement does and bucks. All bucks are registered fullbloods, does are percentage to fullblood with one or two non-registered does. Our goal is to produce rapidly growing goats that are structurally correct with big tops and heavy muscled rumps. We are proud to have produced more than 30 county fair Grand or Reserve Grand Champion Market goats in the past few years. In addition, we have also produced class winners and champions at many ABGA sanctioned shows. Goats are marketed through the Pride of the Plains show animal sale every spring, the Colorado Boer Classic sale Labor Day weekend, privately, and through other consignment and invitational sales.

We are proud supporters of JABGA, FFA, and 4-H programs, both locally and nationally.
